

FAQ for ERM-8010

Q. Is this unit still in production?

A. This unit is no longer in production

Q. Do you still support this product?

A. Yes. We fully support this products and still offer repairs, services, and technical advice where required.

Q. Can I still buy this product?

A. Because the unit is no longer in standard production, we only make a new unit by special request. There is a surcharge for this if we no longer have stock of this item.
